

BLACK HYMN

OPSEC CERTIFICATION

This certifies that
BRYSON MYERS

has successfully completed the Black Hymn OPSEC training and is hereby authorized to operate as a Certified Media Operator within sealed clinic environments.

This certification grants permission to:

- Capture, process, and sterilize visual media during Black Hymn clinics.
- Handle and transfer all imagery under the OPSEC guidelines defined in the NDA Policy.
- Operate with confidentiality, integrity, and adherence to internal NDAs.
